Worship Associates

Revision Date: 2013

Description:

Worship Associates is a program that was introduced to SKUUF by Rev. Sarah Stewart in 2013. Members are invited to apply to become Worship Associates. They are trained by the minister, and engage in regular meetings with him/her to plan worship themes, liturgical flow, special services, and lay-led services. At these meetings they also reflect on previous services, offering feedback and ideas for improvement or changes. Each associate assists the minister once a month by delivering welcomes and readings, assisting with Joys and Sorrows, and, when the minister is not in the pulpit, working closely with the guest minister or lay leader to coordinate and lead services. The associate meets with the minister two to three weeks prior to the service for which he/she is the scheduled Worship Associate. Currently there are eight Worship Associates.
